

KCDCC - PCO Training

Beginning of PCO Training, March 7, 2009—10:00 am, Renton Carpenters Hall. WSDCC Chair Dwight Pelz makes the introduction to the group. Inset pictures: King County Council Chair Dow Constantine, WSDCC Chair Dwight Pelz, and King County Council Member Larry Phillips. Dow and Larry are announced candidates for King County Executive .—Photography by Al Garman, 41st Legislative District Vice Chair.

First 2009—KCDCC Training Course

The King County Democratic Central Committee hosted a Precinct Committee Officer Training Course at the Renton Carpenters Hall, Saturday March 7, 2009—10:00 am through 2:00 pm. Almost ninety attendees braved the rain, wind, and snow to attend.

The attendees were treated to remarks by: Candidates for King County Executives, Dow Constantine and Larry Phillips; candidate for 8th Congressional District Representative Suzanne DelBene, and 46th Legislative District Representative Scott White.

Washington State Democrats Chair Dwight Pelz delivered the introduction and KCDCC Chair Susan Sheary and DNC Representative Sharon Mast were the main instructors. Delivering great online presentations were Martha Koester, Priscilla O'Leary, and Roger Crew on VoteBuilder, and Chad Lupkes, Roger Crew, and Fred Morris on the updated Precinct Maps and Election History. Handouts were given to each attendee as well as a customized button.

The PCO Training Course and the VoteBuilder handout are available online at the KCDCC website (left navigational bar, PCO Info). The updated Precinct Maps and Election History features have been elevated to a section on the homepage of the website, www.kcdems.org.

Thank you to all who helped make the day a success: Jean Thomas and Les Treall at the sign-in desk, Emily Willoughby on refreshments, Rosemary Blackwell and Susan Kruller on the merchandise table, Chuck Laney for setting up the equipment (including rewiring of router), Al Garman photographer, Dwight Pelz and Sharon Mast for instruction, Martha Koester, Priscilla O'Leary, Roger Crew, Chad Lupkes, and Fred Morris for online presentation, and to all those who attended and made input.

Thank you, Susan Sheary—KCDCC Chair
